

Who Is God? - MY THEOLOGY

My God is the **CREATOR** so all of life has divine-design and spiritual purpose.

My God is absolutely **SOVEREIGN**. Even when life seems out of control, He is firmly in charge.

My God is completely **GOOD**. Even when circumstances and people seem bad, He is at work with my best interests in mind.

My God is always **JUST**. Even when life feels unfair, He is completely aware and always renders perfect judgement, in life and eternity.

My God is unconditional in His **LOVE**. Nothing that happens and nothing I do can cause Him to love me any more or any less.

My God is full of **GRACE**. He forgives my sin and strengthens my weaknesses, then enables me to do the same for others.

My God is **HOLY**. His absolute moral purity is untainted by this sinful world--and so should it be in me.

My God is **ALL-KNOWING**. There is no motive, thought, or detail of my life of which He is unaware.

My God is **ALL-POWERFUL**. There is no personal struggle or life-problem beyond His capability of handling it with ease.

My God is **ALL-PRESENT**. There is no secret place in my world apart from His comforting peace and holy presence.

My God is perfect in **WISDOM**. He has all the answer to any questions or issues that perplex my finite mind.

My God is **JESUS CHIRST**. He is the radiance of God's character and is the model and master of my life.

My God is the indwelling me by the **HOLY SPIRIT**. He is my constant companion performing a perfect and powerful ministry of encouragement, guidance, and teaching.
