

Spiritual Gifts Test

God has given each Christian two vitally important gifts. The first is the gift of faith in Jesus Christ, his work of redemption, and thus forgiveness of sin. The second is the gift of one or more special abilities, which are to be used for the purpose of unifying the body of Christ and for the growth of God's Kingdom. These abilities are called spiritual gifts and they are received through our baptism. Like others presents, it is impossible to fully appreciate and make use of our spiritual gifts until they have been opened. This tool will help you begin to open your spiritual gifts by guiding you through the following three activities:

Scripture Review: highlighting Scripture references that both support the existence of spiritual gifts and identify those which are commonly found in service today (beginning on page two)

Self Assessment: a list of 60 questions which will help you identify which gifts you have received in greatest measure (beginning on page three)

Exploration Of Use: suggestions for the various types of ministry you might be most effective in because of your spiritual gifts (beginning on page seven)

These three activities will begin to help you discover and employ your spiritual gifts. May the special abilities God has given you be deployed in areas of ministry where they will be most effective for the good of the entire church body.

Scripture References: The Apostle Paul addresses the presence of spiritual gifts in three main sections of scripture: Romans 12, I Corinthians 12, and Ephesians 4. Peter also verifies their existence in I Peter 4:10. Through these sections of scripture, we learn that all Christians have been given at least one spiritual gift. The purpose of spiritual gifts is twofold: (1) to unify Christians in their faith and (2) to produce growth within the church, both numerical and spiritual. These gifts are to be used out of love for one another, and in service to one another. We do not choose which gifts we will receive. God bestows them upon us through the work of the Holy Spirit.

Spiritual Gift Cluster: Below, write the spiritual gifts that had a total score of seven or more. Identify the gift that had the highest score. In the event of a tie, select the gift you feel you have used effectively in the past, or the one you think you might be most effective in. Then fill in five of the remaining gifts. This group of gifts is your gift cluster.

Which gifts have you truly been blessed with? Discovering the answer to that question requires the following:

Prayer: Seek the Holy Spirit's guidance while evaluating your gifts.

Study: Become familiar with the scripture references, definitions, and how each gift functions within the Body of Christ. This will provide you with a solid foundation from which to further evaluate your gifts.

Self-Examination: Explore your feelings about each of the spiritual gifts in your cluster.

Examples of how each gift may be utilized in the church are provided below. As you read these examples, ask yourself how you feel about the types of ministry activity identified for the gifts in your cluster. You may expect to feel fulfilled through the use of your gifts.

Track Your Results: As you use your spiritual gifts, pay close attention to the results produced through your efforts. You can expect to experience positive results from the use of your gifts.

Listen For Affirmation: As you use your spiritual gifts, listen for affirmation from other Christians. They will recognize and confirm your spiritual gifts, through genuine expressions of approval and thankfulness for a job well done!

Putting Your Gifts To Use:

All Christians are to work together, supporting one another. However, our gifts make us better prepared and equipped to perform in some areas of ministry over others. A person who is working within a ministry area they are gifted for, will be more effective in that ministry than one they not gifted for.

What types of ministry will you be most effective in? A brief list of ministry examples follows. These examples have been provided merely as thought starters and should not be considered an exhaustive list. Use them as a starting point in exploring the possibilities for putting your gifts to use within your congregation and in your community.
